(Text) Djakarta, 26 October--The following is an ANTARA report today: First Deputy Premier and Foreign Minister Subandrio today retracted the charge he had launched two days ago that certain Djakarta newspapers were being aided by or acting as instruments of the U.S. Central Intelligence Agency (CIA).

Subandrio told newsmen at Merdeka Palace today: "I did not accuse a newspaper of receiving aid or being used by the CIA. I only called to mind that in an atmosphere of slander such as now, we must be careful not to be used by CIA. We must all be watchful to prevent this."

Subandrio further said: "I would like to rectify my speech before the provincial military and civilian authorities meeting."
